Bloomington, IL – County Farm Bureau leaders in the 90th Illinois House of Representative District serving as trustees for Illinois Farm Bureau ACTIVATOR® – the organization’s political action committee – unanimously endorsed John Cabello for election.

Cabello has a strong record of supporting agriculture as a former state representative in the 68th House District, receiving Friend of Agriculture designation and ACTIVATOR® endorsement in each of his terms. County farm leaders are endorsing Cabello for his commitment to be a strong voice in the new 90th District, which encompasses much of the former area he previously represented.

ACTIVATOR® Trustee Committee Chairperson and local farmer Brent Pollard said, “Our committee was more than happy to give the Illinois Farm Bureau ACTIVATOR® endorsement to John Cabello. His history with working with the Illinois Farm Bureau and supporting our members’ needs and desires is a great benefit and brings confidence in knowing how he will work with us in the future in the 90th House District.”

In the Statehouse, Cabello wants to focus on economic development and promoting core values to encourage local job growth. Cabello recognizes that agriculture is a key component in the new 90th House District and supports keeping economic tools, like sales tax incentives for agricultural inputs and equipment, protecting how farmland is taxed and ensuring the success of the next generation of farmers.

Cabello is a detective with the Rockford Police Department with a 20-year-career in law enforcement. He plans to utilize his expertise as a voice for public safety in the General Assembly. Cabello began his career after graduating the police academy and serving as a police officer in South Beloit.

The endorsement by Illinois Farm Bureau ACTIVATOR® places John Cabello in a group of select individuals in the state. They understand the leading role Illinois agriculture plays in the state’s economy

and the far-reaching benefits of its products. It proves he recognizes that agriculture's benefits go beyond the vital function of feeding Illinois, the nation, and the world.

ACTIVATOR®, Illinois Agricultural Association/Illinois Farm Bureau's Political Involvement Fund, is a voluntary, non-profit, segregated fund promoting the economic and social well-being of farmers and helps to elect pro-farm candidates, no matter their party affiliations. ACTIVATOR® trustees are local Farm Bureau leaders representing each county in the Illinois House of Representative Districts.
