Bloomington, IL – County Farm Bureau leaders in the 91st Illinois House of Representatives District met recently as trustees for Illinois Farm Bureau ACTIVATOR® – the organization’s political action committee – and unanimously endorsed Scott Preston for election.

Preston is a lifelong resident of Normal and has a proven track record of leadership after serving on the Normal Town Council since 2013. He is also a small business owner, having created his own real estate firm, the Preston Property Group, and both he and his wife, Ali, come from farm families.

In the Statehouse, Preston wants to focus on rebuilding Illinois’ economy, investing in education to ensure parents have a voice, and defeating efforts to defund or lessen the powers of law enforcement. He aims to bridge the partisan divide within our state by uniting communities throughout the 91st District, including those in rural areas, to improve our state.

ACTIVATOR® Trustee Committee Chairperson Wayne Blunier said, “Our committee, made up of local farmers from McLean, Woodford, Tazewell and Peoria counties, is excited to announce that Scott Preston has received the Illinois Farm Bureau ACTIVATOR® endorsement. He will be a strong advocate for agriculture and the constituents in the 91st District. He is ready and willing to be engaged in the tough issues to get things done for us here in the 91st.”

The endorsement by Illinois Farm Bureau ACTIVATOR® places Preston in a group of select individuals in the state. They understand the leading role Illinois agriculture plays in the state’s economy and the far-reaching benefits of its products. It proves he recognizes that agriculture’s benefits go beyond the vital function of feeding Illinois, the nation, and the world.

ACTIVATOR®, Illinois Agricultural Association/Illinois Farm Bureau’s Political Involvement Fund, is a voluntary, non-profit, segregated fund promoting the economic and social well-being of farmers and

helps to elect pro-farm candidates, no matter their party affiliations. ACTIVATOR® trustees are local Farm Bureau leaders representing each county in each respective state legislative district.
