BLOOMINGTON, Ill. – Farmer trustees representing county Farm Bureaus in the 2nd Congressional District are endorsing U.S. Representative Robin Kelly for re-election.

County Farm Bureau leaders meeting as trustees for Illinois Farm Bureau ACTIVATOR® – the organization’s political action committee – unanimously endorsed Kelly for her excellent voting record and many other efforts in the 117th Congress on behalf of farmers in her district.

“Representative Kelly has been an effective legislator who makes every effort to meet with farmer members in her district,” said Jim Robbins, 2nd Congressional District ACTIVATOR® chairman. “She advocates for the priorities of her constituents in Washington, including support for inland waterways and much needed infrastructure improvements in Illinois. We look forward to continuing our work with Rep. Kelly as we prepare to head into the Farm Bill year. We are proud to call her a Friend of Agriculture.”

The endorsement by Illinois Farm Bureau ACTIVATOR® places Kelly in a group of select individuals in the state. They understand the leading role Illinois agriculture plays in the global marketplace and the far-reaching benefits of its products. It proves she recognizes that agriculture’s benefits go beyond the vital function of feeding Illinois, the nation and the world.
