BLOOMINGTON, Ill. – Farmer trustees representing county Farm Bureaus in the 14th Congressional District are endorsing U.S. Representative Lauren Underwood for re-election.

County Farm Bureau leaders meeting as trustees for Illinois Farm Bureau ACTIVATOR® – the organization’s political action committee – unanimously endorsed Underwood for her excellent voting record and many other efforts in the 117th Congress on behalf of farmers in her district.

“Since her election to Congress, Rep. Underwood has fought on our behalf on several issues,” said Joe White, 14th Congressional District ACTIVATOR® chairman. “This includes drawing the necessary attention to the issue of high fertilizer and farm input prices that began last spring. We are grateful for Rep. Underwood’s leadership in Congress and are pleased to call her a Friend of Agriculture.”

The endorsement by Illinois Farm Bureau ACTIVATOR® places Underwood in a group of select individuals in the state. They understand the leading role Illinois agriculture plays in the global marketplace and the far-reaching benefits of its products. It proves she recognizes that agriculture’s benefits go beyond the vital function of feeding Illinois, the nation and the world.
